[10/29/21, 1:22:54 AM] BInyamin EN Corp: You will see it when you will
wake up. Liana spoke with me so I'll reply

It's obvious that there will be a fight on antigen all over. As you
know better than me, it's the new "gold rush".

From legal point of view, you are buying from Acon a US package
products that can be sold only in the US. So no one can tell you not
to sell it.

I'll will send you also LOA signed by our lawyers that guarantees the
same.

I'll try to talk with Acon China this morning, but I'm pretty sure their reply will be the same as what I wrote you.
As you know, November 9 is the date the American distributor is afraid of so I would not take it too much serious all those threats.
With any case, I will take the "risk" and guarantee that you won't have a problem.

Without connection to that, I'm updating you that I gave the approval to book the place for your product on Wednesday Thursday (it will be splitting) after your text last night (my night). So your shipment is also secured.

[10/29/21, 6:48:31 AM] Eliezer: Good morning. Is it possible that we get on a call at 8:30 Am EST this morning? You, me, david, your compliance guy that was on the first call and my partners Anchi and Lewis. I hear what your saying so believe me I see Both sides so can we all speak? It would be 3:30 israel time I believe.

[10/29/21, 6:50:12 AM] BInyamin EN Corp: Jonathan (compliance) won't be available (middle of his night)

David I will ask

[10/29/21, 6:51:05 AM] BInyamin EN Corp: If we would do it at 17:00 my time I believe everyone can join

[10/29/21, 6:54:09 AM] Eliezer: Ok great so can we do rhat then? 17 isn't to late for you? I don't know what time Shabbat comes in israel.

[10/29/21, 6:54:42 AM] BInyamin EN Corp: Shabbat enter at 17:40 so it's ok

[10/29/21, 6:56:07 AM] Eliezer: Ok so yes if we can all speak. Will be important fir Lewis my partner to hear what you are saying because I agree with what you're saying but if he can hear it also direct from you and your compliance guy that we're not doing anything wrong I think would be very helpful.

[10/29/21, 6:56:36 AM] BInyamin EN Corp: NP

[10/29/21, 8:26:24 AM] Eliezer: Will u b circulating a dial in or zoom? Should I message liana?

[11/5/21, 9:08:53 AM] BInyamin EN Corp: Good morning, I'll call in about 30min

[11/7/21, 7:56:34 AM] Eliezer: Shavua Tov BInyamin. This isn't a good sign still nothing. Again I wake up after Shabbat with no messages, airway bills or information. Even an airway bill to Mexico still nothing as I've suspected and been saying all along. Again believe me I would love to be wrong but as it seems I'm not.

[11/7/21, 8:02:05 AM] BInyamin EN Corp: Shavua tov and chodesh tov, Believe me I think you will be wrong this time.

No one in the US will have the new package before you will.

I didn't want to start calling you after Shabbat, that's the only reason I haven't sent a message, and my apologies for Friday, I forgot Shabbat is entering earlier.

The Mexico solution is new, I need to reroute some of the orders , but I found a creative way to cross the issue.

I know I'm asking a lot, but be a little bit more patient with us and you won't regret.

I'm in a factory tour in the next few hours, and I'll call from the hotel with all the information.

I'll prove you not only that you haven't mistaken, you will gain more (forward you call with Nate on Friday).

I'll call you when I'll get back to the hotel

[11/7/21, 8:22:14 AM] Eliezer: BInyamin I hear you but timing is everything and if I can't deliver ontime very soon I will have a problem. - call me later. (Even with the back up solution but with re routing through Mexico according to Liana was supposed to happen over the weekend and it hasn't which is why it's still concerning) - will speak Later.

My office in Switzerland has your email if they will receive the AWB

while it's Shabbat here.

Shabbat Shalom

[11/26/21, 8:45:29 AM] Eliezer: OK thank you for the update because you realize that based on the timeline you gave me it was that we would receive it here in America by the end of this week which is today so you can imagine everybody's getting very antsy at this point so I really hope the stuff actually gets on these flights on Monday or Tuesday

[11/26/21, 8:52:37 AM] Eliezer: Please can you ask the logistics company for proof that they picked this up please ask them for a packing slip signed or some thing Showing that they have this

[11/29/21, 8:29:55 AM] Eliezer: Please call when u can

[11/29/21, 8:30:31 AM] BInyamin EN Corp: Hey good morning, I'm at the Knesset so it will take me few hours.

I have spoke with them 2 hours ago and the said there is no delay and the first flight is leaving tonight. They said we will have the AWB tonight as well.

I don't know why we haven't got the paperwork yet, but they have no reason to lie (and if they will we will know in few hours, and they have fine on that).

As you know, AWB/BOL are usually provided after the loading.

I'm working with the distributor, not with the logistic company.

[11/29/21, 8:30:48 AM] BInyamin EN Corp: I updated Liana and I asked her to update you as well.

[11/29/21, 8:31:15 AM] BInyamin EN Corp: Sorry, that will take me few hours, I can't pick up the phone freely here

[11/29/21, 8:32:23 AM] Eliezer: It's not adding up I'm sorry I don't believe it there's something wrong here

[11/29/21, 8:32:29 AM] Eliezer: I believe you but I don't believe them

[11/29/21, 8:32:53 AM] Eliezer: She told me yesterday it was getting on a flight on Monday and that I would have the paperwork yesterday day after day it's always tomorrow tomorrow tomorrow after the weekend after Shabbat tomorrow tomorrow tomorrow there's something wrong here I'm telling you right now BInyamin

[11/29/21, 8:33:09 AM] Eliezer: If the logistics company picked it up you would have paperwork proving that it simple and the fact they can't give that to you there's an issue

[11/29/21, 8:34:03 AM] Eliezer: Now again it's tonight you said yourself, you're not listening to yourself BInyamin it's always tonight or tomorrow

[11/29/21, 8:34:26 AM] Eliezer: God for bid I'm not accusing you of

lying I'm telling you they're telling everybody what they want to hear
[11/29/21, 8:34:51 AM] Eliezer: Today is Monday tonight it's already Tuesday in China it's almost Tuesday already

[11/29/21, 8:35:21 AM] BInyamin EN Corp: Eliezer, I'm forwarding to you exactly how I'm getting it.

I'm not manufacturing for the first day of my life in China, and I know how those companies are. I *do* believe, that based on my relationship and connection and signed documents and deposit, they won't lie. They have told me (and I was forwarding to you) the status on ACON from the inside the whole time.

[11/29/21, 8:36:00 AM] Eliezer: I believe you I don't believe them

[11/29/21, 8:36:17 AM] BInyamin EN Corp: That's already good, but not enough:)

[11/29/21, 8:36:58 AM] BInyamin EN Corp: Let's see what they will come with. If we won't have paperwork tonight, you and I will jump on a call with them and decide what to do.

[11/29/21, 8:37:03 AM] Eliezer: OK so what day will you surrender and finally say that they're lying because every day it's always tonight or tomorrow so I want to know when you will finally say that they're lying

[11/29/21, 8:37:11 AM] Eliezer: Will you finally agreed that if it doesn't get on a plane tonight that they're obviously lying

[11/29/21, 8:38:47 AM] BInyamin EN Corp: If we want have all documentation tonight, they are lying.

And tomorrow morning I have SGS inspector in their warehouse in China to verify 6m tests for government buyer I have. White box as well. So double verification on them

[11/29/21, 8:39:22 AM] BInyamin EN Corp: And I really need your advice on the Turkish test (you have the samples and documentation).

[11/29/21, 8:43:29 AM] Eliezer: So far your inspections and logistics companies have not come through it's a very simple thing if the logistics company picked it up from the factory then they would have paperwork verifying that and the fact that you can't get this don't you see how that's a problem!?

[11/29/21, 8:43:45 AM] Eliezer: It's very simple call your distributor and ask them for the paperwork from the logistics company that they picked it up I'm not understanding this

[11/29/21, 8:44:00 AM] Eliezer: Forget the flight and the airway bill that's separate

[11/29/21, 8:44:12 AM] Eliezer: Because if that first part never happened then we're dreaming to even think about a flight

[11/29/21, 8:46:17 AM] BInyamin EN Corp: That's the most important. But I'll ask them to send me something from the logistic company that they have taken it.

For me, I care about the AWB cause this is the part I'm paying the balance to them, that's why I'm usually working with that (only real verification, except inspection)

[11/29/21, 8:47:02 AM] BInyamin EN Corp: And that's the first time we are inspecting large quantities of the white box outside the factory, so it is important

[11/29/21, 8:47:57 AM] Eliezer: I agree an airway bill is very important but you're never gonna get it airway bill if you can't even get a simple document with a signature that they picked up what they picked up from the factory if you can't get this then it never happened hence why I'm very skeptical

[11/29/21, 8:48:08 AM] Eliezer: Please call me as soon as you're able to we need to get on the phone

[11/29/21, 8:48:38 AM] Eliezer: Please get the paperwork from the logistics company nobody picked up a few million dollars worth of product without getting a signature

[11/29/21, 8:48:44 AM] BInyamin EN Corp: Ok, I'll call you when I'll have a break here

[11/29/21, 5:09:21 PM] Eliezer: Any luck on those docs from logistics?

[11/30/21, 7:43:17 AM] BInyamin EN Corp: Yes,

We were starting receiving the AWBs and bookings for tonight's flight. My office preparing everything and will share with you shortly

[11/30/21, 7:44:22 AM] BInyamin EN Corp: <attached: 00000182-PHOTO-2021-11-30-07-44-22.jpg>

[11/30/21, 7:56:35 AM] BInyamin EN Corp: 20 minutes

[11/30/21, 8:01:11 AM] Eliezer: <attached: 00000184-PHOTO-2021-11-30-08-01-11.jpg>

[11/30/21, 8:01:17 AM] Eliezer: You agreed that if we woke up today and they didn't get on the flight last night that they are lying, and now again your saying again tonight we agreed that they lied at this point why didn't it get on the flight yesterday or why don't we have the documentation from the courier that it was picked up? Anyone can go to dhl.com and put these stupid papers up here this is bullshit

[11/30/21, 8:01:41 AM] Eliezer: Ok yes please call thanks

[11/30/21, 8:10:00 AM] Eliezer: Nope we still never got the documents verifying it was picked up from the factory which is why everything else here is a bunch of nonsense

[12/1/21, 9:55:55 AM] Eliezer: BInyamin please call me immediately I'm about to shut this whole thing down

[12/1/21, 9:56:17 AM] BInyamin EN Corp: Few minutes please

[12/1/21, 9:56:29 AM] Eliezer: OK please right away in a few minutes

[12/1/21, 11:08:31 AM] Eliezer: Please call me I spoke with logistics company

[12/1/21, 11:08:40 AM] BInyamin EN Corp: Few minutes

[12/1/21, 11:08:48 AM] BInyamin EN Corp: Finishing a meeting

[12/1/21, 4:06:57 PM] Eliezer: I guess I was not the first one as I was promised to get product here locally in the USA - Acon USA has already successfully brought product here and are selling it locally and two companies I know already successfully purchased and selling. There is 200,000 now sitting in Tennessee at customs and two major distributors are selling it right now if you had such great contacts within acon why don't you call them and get me that product

[12/1/21, 4:07:48 PM] Eliezer: They said it's available for pick up in the beginning of next week after customs possible earlier

[12/1/21, 4:08:12 PM] Eliezer: Let your contacts at accon give us this

[12/1/21, 4:09:13 PM] BInyamin EN Corp: I haven't heard anything about that, but I'll talk with Acon guy in the morning for explanations

[12/2/21, 12:02:37 PM] BInyamin EN Corp: <attached: 00000198-PHOTO-2021-12-02-12-02-37.jpg>

[12/9/21, 10:28:27 PM] Eliezer: BInyamin I wasn't going to text you I was just gonna let it be but I have to share with you that I'm very upset at you because regardless of what you say and the excuses you lied to me I know you have no control over China but you lied to me about the samples that were here in the US and then Enrique continued the lie and there's no point in even telling you why but if you think about the things that you told me regarding this you flat out lied to me.

[12/10/21, 6:57:36 AM] BInyamin EN Corp: I apologise that I wasn't involved enough. I never lied in my life, I was forwarding to massage I got. That's just not who I am.

I do apologize that this is the service you got and I hope with Judy you will get the right service.

I do apologise and hopefully we will get it right.

[3/22/22, 11:28:13 AM] BInyamin EN Corp: The board already approved the refund though different company. I'm waiting for Nate to call me tonight if they solved the tax issue.

In addition, without related to the refund from the other company, we put lawsuit against GTS with very good Chinese law firm that will make sure we will refund you not only the amount you paid, but also losses that was created to you and us.

[3/22/22, 11:41:18 AM] BInyamin EN Corp: This refund is closing. We are doing everything in our power, even to take from another company of us, in order to finish it without waiting to the Chinese. We are taking it on our back, even though you know it's not our fault and we payed to the factory.

[3/22/22, 11:45:20 AM] Eliezer: The arrangement was all along between us and that you will refund us even in the beginning when I was very hesitant of this whole deal you assured me that regardless of what your dealings was that you were going to get me back the money because my deal was with your company and then even Netanel said the same thing so whatever happens between you and Chinah that's your business but if you guys can please as per arrangement get the money to me right away, thanks
